WORLD CUP RULES

Competition Criteria

1. 14 similar Horses have been selected and organized as seven homogeneous groups of 2 horses for each group
2. Each group of 2 horses will make 2 runs every day, one with one national team and the second with a different national team
3. 14 Teams, each team with 2 riders, will ride every day one group of 2 horses
4. Competition days are Friday, Saturday and Sunday
5. The winner will be the team with the total cumulative lowest time
6. Each team may toss out the one (1) lowest score of each of their riders
7. A knocked over barrel will result in a 5 second penalty.

Rules

1. Before competition begins, horses will be numbered and the coach from each team will draw a number to see which horse their team rides. (Example: if Italy draws horse 1 that is the working order and the horse they will ride.)
2. In case of accident or illness, another rider may be substituted
3. In case a horse has to be withdrawn for any reason, another horse will be put in its place and the rotation of riders will not change.
4. After the first day the horses are passed down the line to the next rider. (Example: the team who rode horse 2 on Friday will ride horse 3 on Saturday and horse 4 on Sunday. The last team to ride on Friday will move up and ride horse 1 on Saturday and so forth.
5. NBHA competition rules shall apply when not specified.
6. Spurs and whips are not allowed
